RESOLUTION # 16-09-02

A RESOLUTION TO SUPPORT BUFFALO COUNTY CONSERVATION AIDS PROGRAM FOR TROUT STREAM RESTORATION

WHEREAS, Buffalo County desires to participate in county fish and game projects pursuant to provision of s. 23.09(12), Wis. Stats;

WHEREAS, financial aid is desirable to install trout stream habitat projects each year; and

WHEREAS, the Wisconsin Department of Natural Resources (WDNR) has grant funding available through County Conservation Aids program specifically for the installation of fish and game projects under s. 23.09(12), Wis. Stats;

WHEREAS, the project will target trout stream restoration with private landowners to enhance trout streams in Buffalo County through streambank protection and fish habitat structure installation;

WHEREAS, the county match for this project is paid through the local cooperating Rod and Gun Club;

NOW, THEREFORE BE IT RESOLVED that the Buffalo County Board of Supervisors does hereby support the installation of trout stream habitat restoration efforts through coordination with the local Rod and Gun Club and the Land Conservation and Resource Management Department, and

HEREBY AUTHORIZES the Buffalo County Conservationist to act on behalf of Buffalo County to:

Sign and submit an application to the WDNR for any financial aid that may be available;

Submit to the WDNR reimbursement claims along with necessary supporting documentation within one (1) year of project end date; and

Take necessary action to undertake, direct, and complete the approved project each year until funding becomes unavailable to the county.

BE IT FURTHER RESOLVED that Buffalo County will comply with all state and federal laws related to the County Conservation Aids programs and will obtain approval in writing from the WDNR before any change is made in the use of the project site.

Adopted at a duly called and noticed meeting of the Buffalo County Board of Supervisors on the 26th day of September, 2016.
