RESOLUTION # 17-01-01

A RESOLUTION TO ADJUST EXISTING PUBLIC HEALTH NURSE POSITION TO A RANGE OF .8 - 1.0 FTE

WHEREAS, the Buffalo County Department of Health and Human Services (DHHS) currently has a 1.0 FTE in the Public Health Nurse position; and

WHEREAS, the duties for this position include; communicable disease prevention and control, prenatal care coordination, immunizations, maternal and child health block grant objectives, tobacco prevention and control, and prevention grant objectives; and

WHEREAS, the workload for this position does require the equivalence of a 1.0 FTE; and

WHEREAS, this position is budgeted as a 1.0 FTE; and

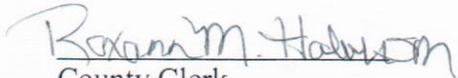

WHEREAS, granting the requested flexibility to meet the 1.0 equivalency would give options of finding alternative ways to meet the needs of the programs; using contracted services in conjunction with students and or student internships; and

WHEREAS, the goal is to retain and maintain existing employees and allow the ability to recruit qualified candidates to maintain high quality services; and

WHEREAS, adjustments between .8 and 1.0 FTE would require the approval from DHHS management and standing committee; and

NOW, THEREFORE BE IT RESOLVED, that the Buffalo County Board of Supervisors hereby grants authorization to adjust the existing Public Health Nurse Position to a range of .8 - 1.0 FTE as approved by DHHS management and the standing committee.

Adopted at a duly called and noticed meeting of the Buffalo County Board of Supervisors on the 28th day of January, 2017.
